Reasons For Allowance

The following is an examiner's statement of reasons for allowance: the prior art of record does not teach or suggest a magnetic head including: a perpendicular write head with shield material formed at each end of an upper pole; and a magnetoresistive read head; wherein the read head has a smaller trackwidth than the write head.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
